#Provident Fund Contribution Option:

You understand and agree that if you explicitly consent to choose the above mentioned option, you will see following impact in your monthly pay slip.

- There is no impact on your Gross salary and CTC salary as stipulated under Annexure A.
- Both Employee's contribution and Company contribution to E.P.F will be lesser than what is mentioned in the salary break-up sheet under Annexure A -I point no. 3. Differential amount will be shown under "Special Pay I" in your pay slip. Income tax deduction benefit would reduce to that extent.
- As EPF deductions are less, your take home pay would be more than what is stipulated under Annexure A. This will attract appropriate income tax.

You agree and understand that as and when the EPF authorities revise maximum monthly wage ceiling (currently INR 15,000/- per month) appropriate changes will be made keeping the same principle, i.e. limiting both employee and employer contribution to statutory wage ceiling, as long as it is permitted by the law.
